- To expedite reimbursement, please keep **all** receipts of costs incurred. Receipts should **show** the method of payment i.e., credit card, cash. Credit card payments should include verification of the name of the credit card holder.
- Candidates must become a 4300B vendor with Kennesaw State University to receive reimbursement.
- The most cost-effective method of travel should be selected. For example:
  - ✚ Air travel versus car rental or personal mileage reimbursement based on distance.
  - ✚ Rental car versus personal mileage reimbursement when the car rental is a lower-cost option.
- Maps of the campus buildings and parking lots are available at: <https://kennesaw.edu/maps/> or <https://kennesaw.edu/parking/>
- Overnight stay (lodging expenses) for local candidates (live within 50 miles of the University) requires Agency Head approval.
