## Honors in the Major Designation for HISTORY Majors

[https://honors.kennesaw.edu/programs/major\\_designation.php](https://honors.kennesaw.edu/programs/major_designation.php)

\*Please note that Honors in the History Major is restricted to Pathway I - Designed for students with more than 45 credit hours and involves successful completion of three HLEs (2 in the major as identified by the home department/major) and the Honors Senior Capstone. Departments/Schools may specify additional requirements for specific majors.

In the **junior** year, an eligible student will complete an [Undergraduate Teaching Assistantship](#) OR an [Undergraduate Research Assistantship](#) OR an Internship (3 hours).

In the **senior** year, first semester, the student will enroll in HON 4497 (1 hour) and prepare the prospectus and a historiographical essay for the proposed research topic.

By 1 November, eligible students will submit an [application for HIST4499](#)

In the senior year, second semester, student will complete HIST 4499 (Senior thesis, 3 hours), cross-listed with HON 4499 (0 hours) and write the thesis as described in the department's guidelines for the senior thesis.

In addition to the above, the student must take one other [Honors Learning Experience](#) (HLE, 3 hours) in any field of study.
