You are required to provide your own Scantron for the final exam.

****Attendance Policy**:**

Students are solely responsible for managing their enrollment status in class; nonattendance does not constitute a withdrawal.

This is not an online class, please do not treat it as such. **Do all possible to attend classes.** You will greatly enhance your chances of doing well this semester by coming to class. **Students are subject to the loss of one letter grade with six documented absences. Excessive documented absences will result in an F for the final grade.**

Random attendance will be taken throughout the semester at the beginning, during, and/or at the end of class. If you fail to respond when your name is called or posted on the screen, you will be marked absent.

Class Protocol and Electronic Devices Policy:

Use of electronic devices* is permitted only to take notes (laptop or tablet computer). Please refrain from accessing any email, social media, playing games or any other activities not related to class. All devices should be silenced. Do not leave the classroom in order to answer phone calls, check or send messages. If your instructor suspects that you are engaging in unrelated activities using your personal electronic device, disciplinary action, up to including loss of a letter grade, may be taken at the discretion of the instructor.
2. Unless you have a question or a comment regarding the material we are discussing, please do not talk or disrupt the class in any manner during the lecture or presentations. Any disruptions will be treated in the same manner as described above.

Course Assessment and Grading Policy

Your final course grade will be determined by your results on a combination of online tests, a final exam, and extra credit points:

1. Four online quizzes*
 - The lowest of your online tests will be dropped.
 - Each of your three highest online test scores will represent 20% of your course grade.
 - There are no make-ups for the online tests for any reason. Please note below.**
2. Final Exam
 - The Final Exam represents 40% of your course grade. There are no make ups for the final exam. The final exam will be held in class.
3. Opportunity to earn extra credit points will be available during the semester.

Students are strongly encouraged to begin their tests early so as to not run into technical issues. Students should consider their internet connection when taking their exam. WiFi connections are not reliable. **For peace of mind, it is strongly suggested that students may wish to take their exam at a computer lab on campus.** All technical difficulties should be directed to the Student ITS department.

Course grade calculation examples:

Three out of the four online test scores, lowest score dropped. Worth 20% each:

76 – **80** – **92** – **88**

Final exam score. Worth 40%:

93

Final grade calculation:

80 x .20 = **16**

92 x .20 = **18.4**

88 x .20 = **17.6**

93 x .40 = **37.2**

89.2 = B

Or the simple method:

80 + 92 + 88 + 93* + 93* = 446; 446 / 5 = 89.2

*Since the final exam grade is weighted at 40% and the test grade is weighted at 20% each, the final exam grade is included twice in the calculation.

You will be able to earn extra credit points to add to your test point total.

You will have the opportunity to earn between 5 – 8 extra-credit points throughout the semester. You must be in class to earn these points. Extra-credit points are added to your semester point total.

For example, with 6 extra credit points, the above calculations look like this:

$$80 + 92 + 88 + 93^* + 93^* + \underline{6} = 452; \quad 452 / 5 = 90.4 = A$$

Grading Scale

Students are evaluated on the following scale:

90 – 100 = A

80 – 89 = B

70 – 79 = C

60 – 69 = D

0 - 59 = F

I—Indicates an incomplete grade for the course, and will be awarded only when the student has done satisfactory work up to the last two weeks of the semester, but for nonacademic reasons beyond his/her control is unable to meet the full requirements of the course. Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair's office.

Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement. See: also <https://web.kennesaw.edu/scai/content/ksu-student-code-conduct> and/or
