Attendance Policy:

KSU policy states as follows: Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. See below for the attendance policy for this course.

Electronic Devices Policy:

Please note that no electronics are permitted in the classroom during examinations. Your computer, mobile phones, and tablets must be turned off and stowed during exams.

Course Assessments/Assignments:

See below.

Makeup Exams and Late Assignments:

You are allowed to make up one (1) exam missed. Email me before the test, or as soon as possible afterwards, of your missing the test and schedule a convenient date/time for the make up. Make-up must be arranged and completed within one week of the test missed, or zero grade will be recorded for that test.

Assignments must be turned in as required. Deadlines will be enforced. Papers turned in late will not be graded. If, under special circumstances, I agree to grade a late paper, the paper will be penalized at 2 points per day, including weekend. In case of inclement weather when the university is closed, tests or assignments due on that day will be rescheduled.

Incomplete grades are only valid after submission of the Incomplete Grade form (signed by both the instructor and student) to the Department Chair's office.

#### Academic Integrity Statement:

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct addresses the university's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation / falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement. See also <https://web.kennesaw.edu/scai/content/ksu-student-code-conduct>.

Academic integrity is important and students should maintain this at all times. It begins with ensuring originality in your assignments and research papers. When you submit materials via D2L, Turnitin will scan the essay for originality. If your essay fails this test, the instructor will report you to SCAI. #### ADA Compliance:

Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require "reasonable accommodation(s)" to complete the course may request those from Office of Student Disability Services. Students requiring such accommodations are required to work with the University's Office of Student Disability Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. Student Disability Services is located in the Carmichael Student Center in Suite 267. Please visit the Student Disabilities Services website at <https://sds.kennesaw.edu/index.php> for more information, or call the office at 470-578-6443.

## Other Important Information About this Course

### 1. Attendance

Class attendance is a requirement in this course. If this will be a problem, please let me know. A sign-up sheet will be circulated every class meeting. If you don't see the roll, ask. You will be responsible for ensuring you sign your name. Only a "perfect" attendance (no more than three classes missed in the entire semester) will earn the 5 points. Others, nothing. You do not lose points for being absent; rather, this attendance policy gives you 5 *extra* points for being present. Every student's reason for absence is important and credible, so the attendance policy that is applied across the board is "you're absent whenever you're not in class for its duration," regardless of the reason.

### 2. Tests

There will be several tests in the course. All tests are in class. Tests 1, 2, 3, and 4 (final exam) will be multiple choice. Each test will be on materials covered since the previous test. Thus, the final test is not cumulative but will be on materials covered since Test 3. The instructor will provide a study guide for each test, consisting of keywords and terms. Be aware that the study guide may include keywords and materials not covered in class, but that you are expected to study as part of the theme/topic. Information for the keywords will come from the textbook and class notes

### 3. Research Paper

**Due Tuesday, March 26, 2019 at 11:59 PM**

**Very Important:** Topic proposal (5 points, bonus); finished research paper (20 points)

Select a topic on any aspect of World history from 1500 to the present. Discuss your ideas/interests with course director. For five (5) bonus points, write and submit a proposal to me in D2L on or before **January 31, 2019 at 11:59 PM**. This one-page proposal should have three parts as follows:

- a) the topic of your paper;
- b) a short description of the topic in one or two paragraphs; and
- c) a list of three sources (books, articles, or web) that you have identified on the topic.

Substantial research is not required for this topic proposal, but a preliminary search is essential to ensure availability of resource materials on the topic. Biographies are not acceptable. Recycled paper/topic from another class is not acceptable. See samples of topics and proposal in "Resources" folder in D2L. Biographies are not acceptable. All topics are to be approved by me in D2L.

Once your topic has been approved, step up your research. When you write your paper, use the **Chicago Style** for your citations; use footnotes and bibliography. For this paper, use at least five sources. The sources must be a combination of books and articles in scholarly journals. Such articles may be accessed on Google Scholar or via KSU Library online resources. You may use Internet sources as a supplement. In other words, blogs, articles, and commentaries on **historynet.com, history.com, online encyclopedia, wikipedia, and similar sources do not**

**count among the five required resources.** Your paper should be original. In length, it should be between 500 words (minimum) and 750 words (maximum), double-spaced. Please see the rubric (attached) on how your paper will be graded.

For Chicago Style, see the online resources below or contact the KSU Writing Center.

### Important Information about Writing a Paper or Completing a Written Assignment

In writing a paper or completing an assignment, you may use sources and quote small sections of them to support a point you are trying to make, but you may NOT simply copy and paste large sections of websites/sources. This does not constitute original work—in fact, it may be considered an occurrence of academic misconduct. Your grade is dependent upon how well you understand and can explain ideas **in your own words**. I do not plan to grade the authors of webpages or articles that you are quoting from. Instead, I expect to grade your paper, your researched opinion, interpretation or synthesis of the material, written in your own words. Therefore, excessive quoting (also known as a string of quotations) is not acceptable and will fetch you a failing grade in the assignment. Please visit the Writing Center. Learn how to write effectively.

The deadline for the topic proposal is **January 31, 2019 at 11:59 PM**

The deadline for the research paper is **Tuesday, March 26, 2019 at 11:59 PM**. **Late papers will NOT be accepted**. Instead of being late, you should plan to submit your paper before the deadline.

#### **4. Test 4 [Final Exam]      April 30, 2019, 10:30 a.m.**

Multiple choice, on materials covered since Test 3.
