Attendance Policy:

Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal. You are expected to be on time and prepared for that day's lesson. Please respect your professor and fellow students. This means that talking while in class while others are talking is prohibited and may result in your dismissal from the class. Please stay in your seat during the class (not doing so is a distraction to me and you classmates). There is a participation grade, worth 20% of your grade, it takes into consideration participation in discussion, asking questions, engaging the material, attendance (including promptness), attitude, and classroom behaviour. Class attendance will be taken with a sign-up sheet, it is your responsibility to make sure you have signed the sheet and attendance is obviously necessary for participation and doing well in class. If you miss four classes your final grade will automatically be reduced by one letter grade. If you miss five classes you will automatically fail the course. Tardiness will not be tolerated and every two times you are tardy will be considered as an absence.
