Academic Integrity Statement

Every KSU student is responsible for upholding the provisions of the Student Code of Conduct, as published in the Undergraduate and Graduate Catalogs. Section 5. C of the Student Code of Conduct addresses the university's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation/falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement. See also <https://web.kennesaw.edu/scai/content/ksu-student-code-conduct>. Cheating and plagiarism will result in a failing grade for the class.

Netiquette ✓

[Netiquette Resource Page](#)

The term netiquette is commonly used in reference to popular forms of online communication, including email, forums and chat. It is derived from “Network and Etiquette”, and “Internet and Etiquette”. It is the set of social conventions that guides interaction over networks. These may include email, blogging, chat, discussion board, and white board etiquette. While some netiquette issues

are technical in nature, most concern how people relate to each other. Once the technical nuances are grasped, online etiquette is not much different than offline etiquette.

How to study?

The course lasts 15 weeks.

BLOGS

There are 8 blog posts. Each week you have to read and study chapters as indicated in CONNECT and on D2L. Each week you have to study questions after chapters. I monitor your activity on Connect.

Each week you have to add your post and 2 comments by Sunday 10 pm in the appropriate blog. CHOOSE ANY TOPIC FROM THE Assigned CHAPTERS for that week. You cannot use textbook images, you cannot repeat the image used by your classmates, you have to find YOUR OWN AND UNIQUE.

GO TO MUSEUM SITES, LIKE BRITISH MUSEUM, HERMITAGE, PUSHKIN MUSEUM, PRADO, METROPOLITAN, AND GOOGE.

Posts and Comments: Examples.

1. This unusual plaited-straw helmet-shaped hat is very similar in both shape and ornament to contemporary steel military helmets. However, this highly decorative example was likely worn by a high-ranking official for festive peacetime occasions. From 16th century Spain.

Comment (as an example):It seems so vain to make a helmet-shaped hat out of straw due to the fact that it wouldn't provide much protection from anything other than the sun. However the amount of time that had to have gone into this piece is remarkable, showing that this hat has some other purpose; maybe it was made for an emperor or king.

2. This is a Nao Victoria's Replica built in Punta Arenas, Chile. The Victoria is a Spanish carrack and the first ship to circumnavigate the world. The Victoria was commanded by Portuguese explorer Ferdinand Magellan and was named after the church of Santa Maria de la Victoria de Triana. The Victoria was an 85 ton ship and had a crew of 42. On the Spanish Expedition Victoria was the only of five ships to return from the voyage.

Comment (as an example): This ship not only looks very cool but it also must have been built with the most extreme precision and care considering it had to tackle the task of sailing around the entire globe! The fact that it was the only ship out of 5 to survive the voyage really says something about its craftsmanship

Be prepared for the changes in schedule. Reasons: D2L and Connect at times experience tech issues. In that case we have to move exams and assignments. At times there is an unexpected maintenance.

WHAT TO DO???????

YOU HAVE TO READ YOUR CAMPUS EMAIL ALL THE TIME TO BE AWARE OF CHANGES.

USE ONLY YOUR KSU ACCOUNT TO CONTACT YOUR PROFESSOR.

USE ONLY kvladimi@kennesaw.edu TO CONTACT YOUR PROFESSOR, DO NOT SEND EMAILS via D2L.

BLOGS IN D2L

Blog assignment. I check your work every week, but the final grade for all blog posts and comments will be given ONLY at the end of the semester. !!Once again, if you miss MORE than 2 weeks of BLOGS -

you will not get points -you get NO points for ALL BLOGS.

BLOGS IMPORTANT!!!!

8 WEEKS-200 POINTS. Surf the Internet for an image of architecture, art, or an artifact from the time period and culture(s) discussed in that week's lectures. **START YOUR SEARCH ON GOOGLE AND GO TO SUCH SITES AS THE BRITISH MUSEUM, FOR INSTANCE.** The image will be copied and posted to the DISCUSSION BOARD with a logical, complete paragraph, a text explaining what this image/object tells us, where did you find it, what do you find appealing or interesting about it.

In addition, students will comment upon 2 of their classmates' postings.

 Students may NOT post an image that has previously been posted by themselves or a classmate or is used in the lecture PowerPoint. Please, do not submit maps, “recreations,” or other modern representations of the past (example: modern image of Shiva is not appropriate vs. a statue of Shiva from the 10th c. is appropriate). In addition, students will comment upon TWO of their classmates' postings using the “Reply” function.

HOW to create your BLOG entry IMPORTANT!!!!!!!

- 1) Open a new Internet tab.
- 2) Surf the net to find an appropriate image (it must relate to both the civilizations AND time period covered for the week.
- 3) Right click on the image and select copy.

- 4) Then go back to your weekly course content page for the course in D2L
- 5) Go to the APPROPRIATE discussion thread.
- 6) Click on the “Compose” button.
- 7) In the subject box, give your image a title such as “Egyptian Vase” or “Gothic Cathedral.”
- 8) Paste your image into box. (Note: You may need to reduce the size of your image if it is going off the screen. This is easy to do. Go to the corner of your image. Right click and hold the corner and drag inward at a diagonal to shrink the picture. You can also increase the size of your windows box in the same fashion)
- 9) Add some spaces, and then give a brief description of the architecture, art, or an artifact you have selected and what it says about the topic of this week’s studies. Remember to add comments to 2 other posts by your classmates. If you are the first students to post for the week, it means you will to return later in the week to post comments.

Make sure you comment on your classmates’ entries before leaving the blog.
