CLASSES**

For over 25 years, the Master of Science in Conflict Management (MSCM) program at Kennesaw State University has equipped graduates with marketable and highly sought-after skills. Our curriculum integrates relevant theory and practice, contemporary research, and practical application to prepare you to manage conflict like a pro in any context, whether organizationally or internationally. The program partners with private sector, corporations, a range of government and non-profit organizations both domestically and internationally.

ACQUIRE THE SKILLS AND INSIGHT

necessary for effective negotiation, mediation, dispute systems design, and collaborative problem solving.

The 16-month program is designed to serve the interests of practicing and aspiring professionals in any field. The program is delivered through intensive and interactive classes on campus. Weekend-only classes are tailored to accommodate learners' personal and professional schedules. Through MSCM, you will be prepared to champion positive change in a variety of sectors, including:

- Court systems, law, and government
- Human resources
- Law enforcement
- International peacebuilding
- Nonprofits and non-governmental organizations
- Ombuds Offices
- Health Care
- Primary, secondary, and higher education
