

Psychology Internship FAQ!

- How do I find an internship?
 - Through your own connections in the community,
 - Meet with the course coordinator to discuss possible sites that KSU students have participated in in the past.
- When is the application due?
 - Check every semester for the important dates and deadlines information sheet.
- How many hours are required on site?
 - 120 hours during the course of the semester for 3-credit hours.
- What qualifies as an internship site?
 - The work must be psychology-related, but does not need to take place in a psychology specific site. Students have worked in treatment centers, hospitals, businesses, and non-profit organizations.
- How often does the class meet?
 - The internship students meet with the coordinator on a monthly basis.
- What are the other requirements of the internship course?
 - Students keep a journal of their on-site experiences, write and present a paper related to the work at the end of the semester, a supervisor's evaluation, and a final exam.
