

Petition for Certificate

Certificate in Intelligence and Homeland Security

This certificate is designed for International Affairs majors who are interested in careers in homeland security or other intelligence-related fields. This certificate focuses upon developing the analytical skills necessary for a successful career within these fields: research, writing, and verbal presentation skills. In pursuing this certificate, students will gain exposure to case studies relating to the policies and politics associated with homeland security and the US Intelligence community while gaining knowledge of various regions throughout the world.

This petition should be submitted upon completion of all six classes. Please check below the classes you have taken that you intend to apply to this certificate.
