

Make Plans Now to Complete Your Study in Organizational & Professional Communication (ORGC)

Updated 9/18/19

Organizational & Professional Communication Students: A sample program of study is below; taking summer classes could accelerate your progress. Your own program of study may vary, depending on course availability and your eligibility based on a number of factors (which includes prerequisites and grades). We recommend that you take 15-hours of course work every semester to put you on track to graduate in four years. You must make a "C" or higher to successfully complete SOCM courses. Organizational & Professional Communication and General Education checklists are available on the SOCM web site <https://chss.kennesaw.edu/socm/advising.php>. Minors (e.g. Management) and certificate programs (e.g. Alternative Dispute Resolution) in many areas are available. Your classes in a minor or certificate program can fill your Related Studies area; if you don't choose to take a minor, you still need to take 12 hours of Related Studies courses.
